

## Berlin Gallery Weekend Struggles to Lure Collectors in an Action-Packed Market Year

by Hili Perlson

May 2, 2017

Installation view of Lucy Dodd, "Lake in the Sky" at Sprüth Magers, Berlin. Photo Timo Ohler.

...

Upstairs, at the space dedicated to the gallery's roster of younger artists, Lucy Dodd presented magnificent large scale paintings rendered with natural materials such as kombucha, spices, quid ink, and black lichen, to name a few, which dealt with birth and motherhood. The works were installed like room dividers leading the viewer into a setting that included comfy sofas and live music.
