

## Feminist Icon Mary Beth Edelson's SoHo loft digitally preserved

May 16, 2018

Screenshot of video from live TV

Before SoHo was known for high-end boutique shopping, it was a haven for some of the city's most radically creative minds.

One of the last of SoHo's 'artist lofts' belonged to Mary Beth Edelson, and work is underway to digitally preserve it.

We got a rare chance to look inside the space where she became a pioneer in the world of feminist art.
