The Harmers engages in a contemporary debate around class, gender and social media through the backdrop of a call-in Satellite radio show. A male shock-jock is unhinged by the conflicting viewpoints of his female callers resulting in a violent clash of wills and a climactic re-distribution of sexual and political power. Starring HANNAH GROSS, INDIA MENUEZ, TAVISH MILLER with RAUL DE NIEVES and KATIANA RANGEL. Written and Directed by MARIANNA ELLENBERG and DAVID LOUIS ZUCKERMAN. The Harmers was performed at The Bar at the End of the Night (II) at David Lewis. Photo Elise Gallant
